

Because we were unable to host **NAME**'s shower at **PLACE** due to the effects of the Coronavirus, we've decided to instead host a drive thru shower on **DATE** at **PERSON**'s house. Please join us at **ADDRESS** anytime between **TIME** and **TIME**. Food and treats will be provided in takeout containers. Feel free to briefly stay and chat with the mom-to-be, or say "Hi" from a distance in your vehicle, whatever you feel comfortable with. We kindly ask that you wear a mask, our main goal is to keep **NAME** and baby safe. Please park **PLACE**.

For questions, please contact **NAME** at **PHONE NUMBER**.

We look forward to seeing you then!
